

RegisterNOW - Online registration and request for Business Registry services

Looking for a fast, accurate, and easy way to register a company and legal entity online? Discover RegisterNOW: an application developed by Qualogy Caribbean. This application gives access to the services provided by the chamber of commerce. Keep reading to learn more about the key features and the advantages. Do you have specific needs or requirements? If so, ask about our customisation options.

Want to request business information or complete and send registration forms? A personal appointment is no longer necessary thanks to our RegisterNOW application. This application gives access to these services and more to improve efficiency and effectiveness. Requesting a judicial extract takes just five minutes!

THE ONLINE POSSIBILITIES OF REGISTERNOW

1. Request various registration forms for companies and legal entities
2. Register companies and legal entities, and edit information
3. Send documents and forms electronically
4. Assess applications and new trade names
5. Make electronic payments, such as annual subscriptions
